

# O nas About us

## NAJ VAŠ IZZIV POSTANE USPEH!

Podjetje MIK Celje, d.o.o. je proizvajalec PVC, ALU in lesenega stavbnega pohištva ter ponudnik celovitih rešitev za posodobitve ali nove zasteklitve objektov. V 22-ih letih obstoja je podjetje pod taktirko generalnega direktorja Francija Pliberška raslo in se razvilo v družbeno odgovorno podjetje z 200 zaposlenimi, ki se lahko pohvali tudi z evropskim priznanjem poslovne odličnosti - EFQM. Vizija in cilji so jasno zastavljeni in v skladu s sloganom „Izzive spreminjamo v uspehe.“

Dejavnosti podjetja MIK Celje:

- proizvodnja, prodaja in montaža PVC, ALU, LES in LES/ALU stavbnega pohištva,
- veleprodaja materialov za uokvirjanje slik,
- investicijska dejavnost in upravljanje z nepremičninami.

## VSE ZA UOKVIRJALCE SLIK – MIK OKVIRJI

Veleprodaja materialov za uokvirjanje slik je prva in najstarejša dejavnost podjetja MIK. V bogati ponudbi najdete vse, kar potrebujejo profesionalni ali ljubiteljski uokvirjalci slik – okrasne letve, gotove okvirje, passepartout karton, stroje različnih zmogljivosti in namembnosti, pa tudi repromaterial.

## MAY OUR JOINT CHALLENGES BECOME OUR COMMON SUCCESS!

MIK Celje, d.o.o. produces plastic, aluminium, and wooden windows and doors. The company offers solutions for the modernisation or new glazing of existing buildings. During the 20 years of our existence, the company has been led by our Managing Director Franci Pliberšek. Under his leadership it has grown and developed into a socially responsible company with 200 employees. Our company is proud of having been recognised for business excellence by the European Foundation. The vision and future goals of the company are clearly defined and are in tune with our slogan: „We are turning challenges into success.“

The activities of MIK Celje:

- Production, sales, and installation of plastic, aluminium, and wooden frame windows, doors
- Wholesaler of picture framing materials,
- Investment and property management.

## EVERYTHING FOR THE PICTURE FRAMERS – MIK FRAMES

Wholesale of material for picture framing is the first and the oldest activity of the MIK company. In our wide range of products you will find everything a professional or an amateur picture framer might ever need – mouldings, finished frames, mat boards, machines of different capacity and purposes, as well as all the related material.

Skladišni prostori se razprostirajo na 1.400 m<sup>2</sup> in nam omogočajo trajno zalogo več kot 250.000 m okrasnih letev, 20.000 kosov passepartoujev, določenih osnovnih modelov strojev in ostalega potrošnega materiala. Naši poslovni partnerji so priznana proizvodna podjetja iz Italije, Španije, Češke, Anglije in Koreje, ki narekujejo svetovne trende na področju uokvirjanja.

Naše vodilo „Danes naročite, najkasneje jutri dobite“ zagotavlja vsem našim kupcem, da na osnovi letnega plana razvoza dnevno aktualizirajo in načrtujejo zaloge in svojim strankam zagotavljajo ažuren in odziven servis. Na tak način prispeva podjetje MIK, enota MIK OKVIRJI, svojo mavrico barv in detajlov k slovenskemu trgu uokvirjanja, uokvirjanja lepote, ustvarjenih izpod umetniških prstov ustvarjalcev.

The storage facilities, spread over 1.400 m<sup>2</sup>, enable us to have a permanent stock of over 250.000 m of mouldings, 20.000 pieces of mat boards, some essential machines and other consumables. Our business partners are renowned production companies from Italy, Spain, Czech Republic, England and Korea, who are establishing the global trends in the framing field.

Our motto „Order it today, get it by tomorrow at the latest“, allows our customers, on the basis of the delivery scheme, to refresh and plan their stock daily, and consequently to provide their own customers with up to date and responsive service. In this way, the MIK company - division MIK FRAMES, contribute with its rainbow of colours and details to the Slovenian framing market, framing the beauty caught under the artists' fingers.
